KEEP BRITAIN BRAINLESS

1/ **DAVE SHARP**
These are programmes where people get asked stupid questions, and made to look like fools by our unmaric creep. Start or like school, really, except if you get the questions wrong, you get a dustbin instead of 500 lynes.

2/ **SONNY OFFERAS**
Everhoddie in these programs has ridiculous problems, e.g. there son has run away and gon to live with a wombat, or they've had a hideous operation and gott there head sewed on backwards. They don't hav reel problems like me, like how to kleen dad's socks when you've been using them to hatch hotel's eggs.

3/ **OLD BOOZIES**
These are shown on Sunday afternoons, and usually hav Jon Hane wrestling bufferies and feeling in lov with soppie wimins. I saw one once where he wrestled the woman and married the bufferie, but I sile or been dreaming.

4/ **CHILDREN'S T.V.**
These are shows where they tell you things like how to make a working model of Rof Harris from old washing-upp likwid bottles. Grate fun, I don't think. I'd rather fill the bottles up with worter and skvint it at Toby Haxson. It's better fun, and at least Toby dunnet payn stupid pictures on yor worts while singing "Too Little Boxes".

Do ya think I would leave J yg cryin'..?
